MATTHEW 14:22-23

After he had fed the people, Jesus made the disciples get into a boat and precede him to the other side, while he dismissed the crowds. After doing so, he went up on the mountain by himself to pray. When it was evening he was there alone. Meanwhile the boat, already a few miles offshore, was being tossed about by the waves, for the wind was against it. During the fourth watch of the night, he came toward them walking on the sea. When the disciples saw him walking on the sea they were terrified. "It is a ghost," they said, and they cried out in fear. At once Jesus spoke to them, "Take courage, it is I; do not be afraid." Peter said to him in reply, "Lord, if it is you, command me to come to you on the water." He said, "Come." Peter got out of the boat and began to walk on the water toward Jesus. But when he saw how strong the wind was he became frightened; and, beginning to sink, he cried out, "Lord, save me!" Immediately Jesus stretched out his hand and caught Peter, and said to him, "O you of little faith, why did you doubt?" After they got into the boat, the wind died down. Those who were in the boat did him homage, saying, "Truly, you are the Son of God."

THE MASS BOX

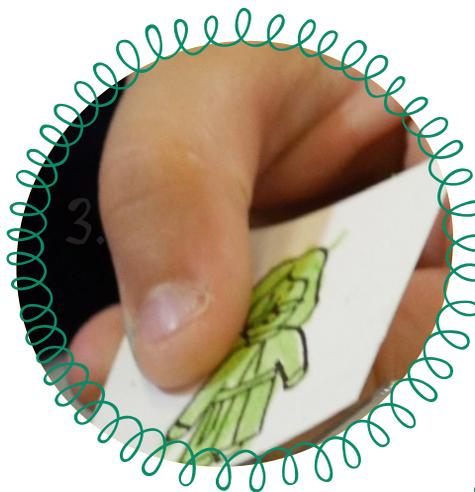

1. Color your stickers. There are four stickers. One for the cover of the case with text on it, one with a boat for the background to put on the inside of the lid, one for the bottom of the case for the sea, and one sticker for the front and back of Jesus.

2. Put the stickers in the tin box. These set the scene to remember how Jesus walked on water to the boat with the disciples.

3. Fold the Jesus sticker over the flat part of the brad so that the round base is at Jesus' feet. Make sure that the front and back of Jesus line up. You can use scissors to cut out Jesus from the extra sticker.

4. Put the magnet underneath the tin box. Put the brad inside the box, with the bottom on top of the magnet. Slide the magnet along the bottom of the tin to make Jesus walk on water!
