## MARK 10:2-12

The Pharisees approached Jesus and asked, “Is it lawful for a husband to divorce his wife?” They were testing him. He said to them in reply, “What did Moses command you?” They replied, “Moses permitted a husband to write a bill of divorce and dismiss her.” But Jesus told them, “Because of the hardness of your hearts he wrote you this commandment. But from the beginning of creation, God made them male and female. For this reason a man shall leave his father and mother and be joined to his wife, and the two shall become one flesh. So they are no longer two but one flesh. Therefore what God has joined together, no human being must separate.” In the house the disciples again questioned Jesus about this. He said to them, “Whoever divorces his wife and marries another commits adultery against her; and if she divorces her husband and marries another, she commits adultery.”

**THE MASS BOX**

1. Draw a face on your bride and groom at the clothespin's top (the closed end). They should be able to stand on the open end.

2. Cut the lace ribbon to make a veil and dress train for the bride. Use a glue dot to attach them to the bride clothespin.

3. Glue the black ribbon to the back of the groom to be his tuxedo tail.

**Q**

How did your parents meet?

How do you see your parents' unity?

4. Add the bow tie to the groom.

Remember to pray for your parents and all marriages. It is part of God's incredible creation.

**A** You could also ask other married couples, such as your grandparents or aunts and uncles.

We see our parents' unity when they agree on making decisions for the family. Sometimes we see them give hugs, too. What a great reminder of the unity they share!
