MARK 7:31-37

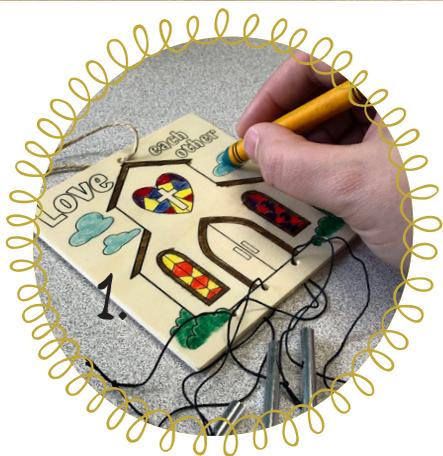

Again Jesus left the district of Tyre and went by way of Sidon to the Sea of Galilee, into the district of the Decapolis. And people brought to him a deaf man who had a speech impediment and begged him to lay his hand on him. He took him off by himself away from the crowd. He put his finger into the man's ears and, spitting, touched his tongue; then he looked up to heaven and groaned, and said to him, "Ephphatha!" — that is, "Be opened!" — And immediately the man's ears were opened, his speech impediment was removed, and he spoke plainly. He ordered them not to tell anyone. But the more he ordered them not to, the more they proclaimed it. They were exceedingly astonished and they said, "He has done all things well. He makes the deaf hear and the mute speak."

Q

1. What do the people do after Jesus performs His miracle?

A

1. Despite Jesus' order not to tell anybody, people were astonished and told everyone they knew about this healing miracle. They were amazed by what He could do!

1. Using any craft supplies you have at home (crayons, markers, or paint) color your windchime as you would like.

2. Once your windchime is dry to touch, you can add your gems!

Q 1. What are some of your favorite sounds?

3. Peel the backing off of the self-adhesive gems, and place them wherever you would like to make your windchime extra eye-catching!

Q 2. How can a wind chime remind you of what the healed deaf man did in the Gospel?

A 1. Maybe you love the sound of the ocean, or the way bacon pops when it is cooking in a pan. Thank God for the gift of your ears.

2. Wind chimes make noise when the wind moves them. The healed man proclaimed the miracle to others the way wind chimes tell us the wind is blowing.
