LUKE 21:25-28,34-36

Jesus said to his disciples: "There will be signs in the sun, the moon, and the stars, and on earth nations will be in dismay, perplexed by the roaring of the sea and the waves. People will die of fright in anticipation of what is coming upon the world, for the powers of the heavens will be shaken. And then they will see the Son of Man coming in a cloud with power and great glory. But when these signs begin to happen, stand erect and raise your heads because your redemption is at hand.

"Beware that your hearts do not become drowsy from carousing and drunkenness and the anxieties of daily life, and that day catch you by surprise like a trap. For that day will assault everyone who lives on the face of the earth. Be vigilant at all times and pray that you have the strength to escape the tribulations that are imminent and to stand before the Son of Man."

THE MASS BOX

1. Poke out the three holes in the clock face, two near the top and one in the middle.

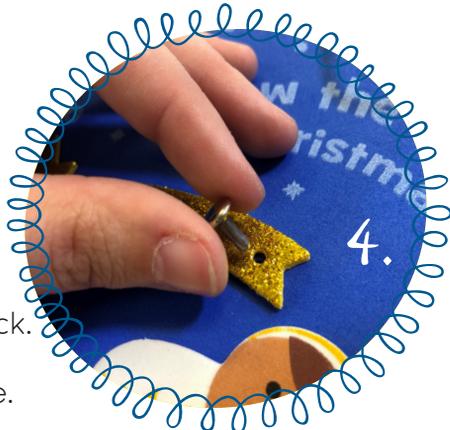

2. Thread the gold cord through the front of the clock face, through the two holes at the top. Knot each end to create a hangar.

3. Peel off the adhesive backing to the baby Jesus piece, and attach it to the bottom part of the clock, making sure you can still read the numbers beneath it.

4. Poke out the hole in the star, then line this up with the center hole on the clock face.

5. Push the smooth-top part of the Brad snap through the star and clock. Then attach the back piece - you should hear a 'snap' once it's secure.

Use your clock in December to keep track of the days until Christmas!
