## LUKE 6:27-38

Jesus said to his disciples: “To you who hear I say, love your enemies, do good to those who hate you, bless those who curse you, pray for those who mistreat you. To the person who strikes you on one cheek, offer the other one as well, and from the person who takes your cloak, do not withhold even your tunic. Give to everyone who asks of you, and from the one who takes what is yours do not demand it back. Do to others as you would have them do to you. For if you love those who love you, what credit is that to you? Even sinners love those who love them. And if you do good to those who do good to you, what credit is that to you? Even sinners do the same. If you lend money to those from whom you expect repayment, what credit is that to you? Even sinners lend to sinners, and get back the same amount. But rather, love your enemies and do good to them, and lend expecting nothing back; then your reward will be great and you will be children of the Most High, for he himself is kind to the ungrateful and the wicked. Be merciful, just as your Father is merciful. “Stop judging and you will not be judged. Stop condemning and you will not be condemned. Forgive and you will be forgiven. Give, and gifts will be given to you; a good measure, packed together, shaken down, and overflowing, will be poured into your lap. For the measure with which you measure will in return be measured out to you.”

How do you show love to other's?

THE MASS BOX

1. Fold both felt ovals in half. Think of the white one as "A" and the other as "B".

Open the top loop of oval A. Insert the top loop of oval B inside of this loop of A.

2. Pull loop B fully through loop 1 of A. Then, take loop 2 of A and pull it through loop 1 of B. Repeat steps 1 and 2 with the final two loops of A, so 1-B is fully weaved in and out of all four loops of A.

3. Slide the felt pieces up to give you room to weave loop 2-B now.

Begin 2-B the opposite of 1-B - so push 1-A inside of 2-B first, then 2-B inside of 2-A, 2-B outside of 3-A, 2-B inside of 4-A.

4. The two weaving patterns done so far should look opposite (alternating) of one another. Repeat this process with your remaining loops, remember to alternate.

5. Thread string thru heart tag. Then thread string through a top loop of the felt heart, and knot the ends together.
